Dear Parents

Re: Parent Information session 5-6pm Tuesday 8th March.

Attached is a flyer about the **“Brilliant Futures Program”** from the Queensland Academies.

This new program is aimed at ***very highly capable students*** who have the potential to gain an assured pathway to one of the Academies in their Year 10 year.

Kathy Mackay, who is the QLD Academies Manager, has offered to come to Graceville to speak to parents to explain the program, as well as answering questions you may have. Kathy can also give some more information about a wide variety of programs that the Academies offer.

The Parent session will take place in the Waratah room, which is on the ground level of the Admin block, just past the staffroom.

Please RSVP on the slip below to indicate your attendance on the 8th March. Return to the school office please.

If you can't attend but have questions please contact me. (lmcke46@eq.edu.au)

Regards

Lisa McKeaten
Deputy Principal

I will be attending the Parent Session in regards to the “Brilliant Futures Program” on Tuesday 8th March 5-6pm.
