

LAP-A-THON

WHEN

On Tuesday June 21st in the last week of this term the Chaplaincy Lap-a-thon will take place. This is both a fun activity for students and one of the Chaplaincy fundraisers, held during the year. This is the ninth year of a fulltime chaplaincy service at Graceville State School and the consistency of service to students is a great benefit.

ABOUT

For families new to the school, the fun activity is as follows – all students run, jog or walk as many laps as they can for 20 minutes, in their year levels around a course marked around the perimeter of the school oval (approx. 220m).

All students participate in the activity and families wishing to support chaplaincy financially can do so by sponsoring students a total amount or an amount per lap. Please help your child to bring their Sponsorship form on Tuesday June 21st so that the teachers can write down how many laps your child has run.

PRIZES

There are year level prizes for the most laps by an individual boy and girl. There are also class prizes for the class which completes the highest number of laps per participant. There is also a fundraising prize for both Junior and Senior age groups. The Lap-a-thon fundraising prize goes to the student who finds the highest number of sponsors.

DONATIONS

Donations can be made by cash, cheque or credit card electronic link

THANK YOU

The support from parents for this event in recent years has been staggering and highlights the value seen in the chaplaincy service by many school families. It also highlights how generous and supportive our school community is when investing in the lives of our students. It is indeed a privilege to be part of this school community and I thank you for your ongoing support.
