

Dear Parents and Carers,

This year 1L are organising the children's art show for our school fete. The art show is a wonderful part of the fete where children from Prep to Year 2 will have the opportunity to create a piece of artwork and display it in the hall for their family, friends and the community to see during the fete. This year the children will be painting their very own canvas masterpiece.

As this is a fundraiser there will be an opportunity for the artworks to be purchased by the students who made them. The cost of the canvas is \$10. If you would like to purchase your child's masterpiece please log on to your School24 account (instructions below) by Friday 19th August 2016
