Traffic management controls will be in place on Honour Avenue and Appel Street, adjacent to the station precinct, to allow for the delivery of machinery and materials. A crane will be positioned in this area to lift equipment and materials into the rail corridor. Pedestrians and motorists are advised to follow all signage and traffic management controls during this time.

Residents adjacent to Graceville station may experience some noise from truck movements and construction activity.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption. Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
