**Wrapper-free Wednesday is waste-free, litter-free lunchbox.**

It also helps to reduce land-fill which in turn helps save the planet. Educators will be talking to children about how every little bit counts. The idea with this is not to use throw-away wrapping like cling wrap and foil, and minimise the use of pre-packaged foods and paper wrappers - essentially "nude food".

Please send re-useable plastic/metal containers or fabric insulated lunch sacks to avoid squashed food or messy bags.
