Dear Parents,

Each year, the most talented dancers, singers, musician and actors from Queensland State Schools come together to stage one of the state's largest performing arts events., where more than 1500 student performers will come together to showcase their talent by starring in the professionally produced show alongside some of Queensland's leading professional artists.

Creative Generation —State Schools On Stage continues to give students, teachers and school communities the opportunity to be involved in a large-scale, award-winning event. Student Performers will come together to rehearse items covering a wide range of musical genres. CGEN is much more than a musical extravaganza. It is a journey of self-confidence for the talented students who take part.

Your child has indicated that they are interested in being part of the Creative Generation- State Schools On Stage dance performance for 2018.

Please be aware that this production involves a number of rehearsals over weekends and includes a few rehearsals over the June/July Vacation period. This year the show will be over the last weekend of the school holidays.

Students are expected to attend all rehearsals and be available for all performances. If you anticipate taking extended holidays or your child has sporting commitments that you believe may inhibit their ability to participate please respond accordingly.

Please also be aware that there are some costs involved associated with this production including costumes and some transport. We will also require parent supervision during show time at the Brisbane Exhibition and Convention Centre and during rehearsals on the weekends.

Key Timelines (Subject to Change) – This is just a guide and rehearsals won't be on all these dates.
