GRACEVILLE SCHOOL LAP-A-THON 20.6.2018

Dear Parents/carers,

On Wednesday June 20th, our school is participating in a school lap-a-thon. The event will be held on the school oval with each year level assigned 20 minutes to complete as many 220m laps as possible. Children may walk, run or jog the course to complete their laps.

The event is designed to provide students with a fun activity linked to our HPE curriculum and to raise funds for the chaplaincy program within the school. For those families that are interested, the lap-a-thon offers the chance for students to gain sponsorship and raise money for each lap completed.

This event is Chaplaincy's only fundraiser for the year. A sponsorship envelope has been provided for children to go and gain sponsors for their walk. The sponsorship form and fundraising monies must be returned to school by Thursday 19th July. All donations are tax deductible.

There will be some prizes available for the following-

- Most class laps completed per year level.
- Most laps completed by an individual within a year level.
- Most sponsors gained by a student - junior school and senior school.

For the parents and carers, there will be a **coffee van for refreshment until first break** and the opportunity to watch their child participate; the program for the day is listed below-

(Please remind your child to bring back their sponsorship envelope on Wednesday June 20th so that your child's teacher can write down the total number of laps your child ran.)

| | | |
|----------------|----------------|---------------|
| 9.00am Year 2 | 11.30am Year 6 | 2.20pm Year 3 |
| 9.30am Year 5 | 12.00pm Year 1 | |
| 10.00am Year 4 | 12:30pm Prep | |

For the children, there will be an opportunity to celebrate the day with the purchase of warm popcorn \$2.00 on the oval at first break.

It is hoped that all children will participate in the lap-a-thon. Children who do not gain sponsors are still invited to participate in the event. Please note, all sponsorship forms must be returned for record keeping purposes.
