

Candid Carpool Camera Moments

Graceville State School Official Entry Form

Carpooling is a great way to reduce traffic congestion around our school, help the environment and have fun with friends. If you and some friends carpool together and make a short video, you can each win yourselves a super prize! In fact every Graceville student who enters will win a prize!

To qualify **more than one family must travel together**. This official entry form must be completed and signed by a parent from each child filmed or photographed.

Take some video to make a short movie or photos to make a photo story, showing how much fun carpooling is and save it onto a USB as an **mp4 or wmv file**. The video must clearly show travelling to school. The video must be **no more than two minutes** long to qualify and promote carpooling as a great way to travel to school!

Entries submitted on a USB (mp4 or wmv file) can be given to your teacher or handed into the office. All efforts will be made to return USBs in a prompt manner, to the first student named on the entry form. Please name your USB, and place in an envelope with your entry form. (For easy return if separated from the entry form.)

Entries must be received by 9am Wed the 5th September.

One entry per 'carpool group', however individual families may carpool with multiple families and create multiple entries.

This competition is sponsored by Councillor Nicole Johnson.
