November 2019

Dear Parents

Our Senior and Junior Choir students have been invited to perform at the Riverside Church Carols evening on Saturday 30 November. The address of the church is 12 Glenwood St, Chelmer. This is an optional performance for students who would like to participate. The evening begins at 5:30pm and our choir will be the first item so we are requesting students to arrive at 5:15pm. Parents/carers will need to remain at the venue while the choir is singing and students will return to you immediately after the performance. Families are welcome to stay for the remainder of the evening.

Students will be singing two Christmas songs, sung as a massed choir which will include all choir students who attend the evening.

As parents/carers will remain at the venue before, during and after the performance we do not require permission slips, but we are requesting parents to indicate whether their child is able to perform at this event via the return slip below.

Please contact Mrs Naomi Lindh via the school or email (nclos1@eq.edu.au) if you have any questions about this event.

We look forward to singing for members of the school and extended community at this event.

Yours sincerely

Naomi Lindh
Music Coordinator

Lisa McKeaten
Deputy Principal

(Please return to the music department by Wednesday 27 November for an indication on numbers)

(please circle below)

My child _____ will / will not be
able to participate in the Graceville SS combined choir performance (of two songs) at
the Chelmer Riverside Church Carols evening on 1 December at 5:15pm for a 5:30pm
performance.
