

You are invited to:

Robotics Club Challenge

2pm Wednesday 4th December (Week 9) - GSS Hall*

This semester our Robotics Club have learnt how to build and program LEGO EV3 Robots. Come along to the hall for a display of impressive robots and watch our club members compete in the Robotics Club Challenge. Cheer on the teams as their robots compete to follow a windy line on a series of tiles to a designated rescue area.

Robotics Club Members:
